

Honk Honk!!!! Don't you just want to honk that snoge???? Introducing the gorgeous Duke! Direct to you from RSPCA Hunter Valley NSW, via RSPCA Yagoona, now par-taying in Peiville in Melbourne. 5 yrs young, Duke hit the ground in rescue running. Desexed, vaccinated, microchipped, wormed, flea treated.....and entropion surgery complete....what more could you possibly want in your new BFF? Duke is looking for a home with or without a female doggy companion, kids or no kids, Duke is a pretty easy, content, eager to please and happy zen master. He is going to make some family very very happy. If you would like more information on Duke, or better still to meet Duke with the view of offering him his very own forever home, please fill in the on line application form. We will be in touch! Don't think about this too long though, as Duke is just the sort of companion that would suit most any family.....as in.....HE IS DIVINE!!!! PS Duke did have one failure.....and that was (like one in three shar pei) his thyroid test.....he will now need to take thyroxine medication daily forever. Less than \$1 per day, Duke is so worth every cent!!!

Dukes adoption fee is \$620.00 Microchip # 923 555 763 298 555
